# 6 Years & a Feather

PHOTOGRAPHY: DAVID PHOTOGRAPHY

*I* am one for always thinking of what to do differently and what to do next. It took a while to come up with what will make our 6th Anniversary edition a little different from the last one. Just making it bigger wasn't going to do it and then I remembered that one of our contributors had shared an idea of a groom's pull out with me almost a year ago and something told me it was not such a bad time to look into it. And yes we did it! Although as I expected, there was not a lot to say to the groom but style is a must for every Groom and we sure have your style covered in this first WP groom and this 24 page pull out is absolutely free. So brides, go ahead and hand the pull out over to your groom.

A few months back, I made a trip with Ndidi Chiocha and Shere Nwobodo (both event planners) to attend The 'Bride show Dubai', it was a four day event and we were there everyday. The fun here is that the exhibition hall was so huge that in the four days, we cannot boast of seeing every stand but it was worth the experience. We bring you a two-page report.

I am particularly very thrilled about the chat I had with Mrs Uche Majekodunmi, the CEO of Newson and David on 'The Industry'. The one thing I hope every wedding vendor takes from this 3 page interview is the word 'Integrity'. And from the biggest wedding of our time, we bring you '4 Cues from the royal wedding' and 'Style of the Royal Wedding'.

All our contributors are well represented and I hope you find something to work with. Our style pages simply can't be ignored. We explored the *Haute and Spicy* theme and our celebrity models were fun to work with.

26th June, 2004, the very first episode of 'Wedding Planner TV' was aired on NTA 2CHS, 26th June 2005, we launched Wedding Planner Magazine and come 26th June 2011, Wedding Planner Magazine will be 6 years in print and God willing it'll mark the beginning of 'Weddings Made Easy' our new TV programme.

In all, we want to thank God for having brought us thus far, you our valued readers, our advertisers and everyone in the industry who has stood by us, encouraged us to be better and for keeping us in business. May God continue to lift you up everyday of your life. God bless you.
